Welcome to Sonora. This is not just a place to indulge in cocktails;
it is a gateway to a world where myths and legends come alive.

TASTE MAP

OLMEC

We honor the ancient Olmec civilization with the cocktails you will discover on the next page. This advanced society thrived along the Gulf Coast of modern-day Mexico from 1200 to 400 BCE, leaving an enduring legacy through their sophisticated society and impactful art.

Our cocktails draw inspiration from the monumental stone heads sculpted by the Olmecs, believed to be representations of their influential rulers. Echoing these unique features, the drinks you will encounter boast bold and distinctive flavors, paying tribute to the Olmec's artistic audacity.

Allow each sip to transport you to the lush landscapes of the Olmec era, immersing you in a captivating blend of flavors. As we celebrate this inspiring civilization, remember that this is but the first tale in our flavorful journey.

ANDEAN

As we pay tribute to the majestic Inca civilization, discover the unique cocktails inspired by their rich heritage on the next page. Among the most influential pre-Columbian civilizations, the Inca Empire, or Tawantinsuyu, cast a commanding presence in the Andean region of South America from the 13th to the 16th century, until it succumbed to the Spanish conquest.

Their empire, centered in the breathtaking Andes Mountains, stretched along the western coast of South America, spanning parts of present-day Peru, Ecuador, Bolivia, Chile, and Colombia. At its heart was Cusco, a vibrant capital city that served as the epicenter of their political, administrative, and religious activities.

The cocktails you will find on the following page capture the essence of this powerful civilization. Let the bold flavors transport you to the soaring peaks of the Andes and the bustling streets of Cusco.

MARAJOARA

Delve into the captivating world of the Marajoara civilization with the specially crafted cocktails you'll discover on the next page. Flourishing in the Amazon region of Brazil from around 400 CE to 1400 CE, the Marajoara were known for their advanced society and unique ceramic art.

Taking its name from Marajó Island, where the mighty Amazon River unveils stories of a bygone era, this civilization erected complex settlements, home to thousands, showcasing their innovative design in the form of large mounds and earthen platforms. These mounds bore the weight of houses and public buildings and served multiple purposes – defense, protection from floods, or bases for important structures – a testament to Marajoara ingenuity.

Immerse yourself in the essence of this ancient civilization with the cocktails on the following page. Let each sip carry you to the heart of the Amazon, where the spirit of the Marajoara once thrived.
